Reminder

Since going paperless in September, we want to remind you, if you have not signed up for E-Billing or contacted us to apply for an approved exemption, a monthly paper bill will not be sent.

Even if you choose not to opt into either option, your monthly balance is still due by the regular billing date. Have questions or need help getting set up?

Did you know that when you're playing a game and an ad pops up, you should **never click on the ad just to make it stop**?

Clicking can sometimes download **unwanted apps** or even viruses onto your device. Instead, think of the ad like a commercial—watch it through, and once it's finished, you'll usually have the option to safely close it.
