## Welcome 2020

WOW! Another year has come and gone already! Last year brought new equipment to improve services, more fibre optics being buried to serve our customers, some new employees and the SAME GREAT LOCAL SERVICE! We are very excited for this upcoming year as we continue to deliver quality communication services to our local community with integrity and respect.

The Board of Directors and Staff at Brooke Telecom Co-operative would like to wish you all a "Happy New Year" and all the best in 2020.
