the month of June !

All Offices will be CLOSED
July 1 and 2
in celebration of the
True North Strong and Free

SWIFT UPDATE

We are "swiftly" moving along Confederation Line heading West. Things are moving great. We, know there isn't much to see if you travel through our construction areas, but we reassure you lots is moving underground.

Brooke Telecom asks that you have caution while entering the constructions area, between the large equipment and our local farmers moving field to field, we just want everyone to be safe.

To keep you up to date on our progress, we have added a new interactive map to the Rural

Fibre to the Home page on our website. We hope that you follow us along this exciting journey.

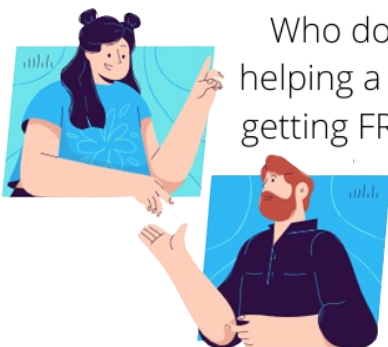

If you have received a Construction Permission Form and have not yet returned it, we ask that you please do so, we would hate to miss you as we "plow" by.

*Let's celebrate National Best Friends Day
on June 8th by*

Refer-A-Friend *You get \$50...They get \$50*

Do you know anyone moving into our service area? You can help them...help you. Tell your friends to give your name and Brooke Telecom account number when they sign up for service and they will receive a \$50 credit for being your friend AND you receive a \$50 credit for being their friend.

Who doesn't love helping a friend and getting FREE money!

Pickards Fibre Plow Crew on Confederation Line

Due to the recent inconsistencies with Canada Post

Brooke Telecom would like to remind all our members/customers that we do have an E-Bill Program.

Register for the program today.

Receive your bill on the first day of the month and get a \$1 E-Bill credit each month
