Board of Directors

As you know, Brooke Telecom is a Co-operative company with a Board of Directors that represent the members interests. We would like to take the time to welcome our latest Director Susan Kucera.

She and her husband Dan have been long-time customers of Brooke Telecom. Susan has resided in Brooke Township for over 35 years. Her educational background is in Agricultural Business and has a consultant business preparing Nutrient Management Plans for livestock producers.

We would also like to say thanks to our other Board Members for their dedication to Brooke Telecoms members; Ken Simpson, Jill Van Loon and Mark Hamel.

New CSR Manager

Brooke Telecom is pleased to announce that we have a new customer service manager, Jason Goldsack.

Jason comes to us from Teksavvy most recently and in the past owned/operated a Pizzeria for 9 years. Jason comes to us with technical background in phone and Internet as well as extensive customer service experience.

We welcome Jason to our BrookeTel family!
