“Worry Free” Data

Recently unlimited data plans were introduced to our subscribers starting at \$75/month. These plans allow for uploading, downloading and streaming a lot of content at maximum speed. Once your data limit has been reached, you can still use unlimited data at speeds of up to 512 Kbps - suitable for light web browsing, email and messaging- without ever having to worry about data overage fees.

Here are some of the options:

BRING YOUR OWN DEVICE-UNLIMITED 10 **\$75.00**

Unlimited Canada calling
Includes 10GB of non-shareable data at maximum speeds.
After 10GB, speeds are up to 512Kbps
No data overage charges!

PREMIUM-UNLIMITED 10 **\$105.00**
