(applies instantly)
- **Mail in a cheque.**  
(applies within 5-7 business days)

*\*\*A payment is not accounted for until it is posted to the account.\*\**

**ATTENTION**

### 3G Cellular Device Owners

Bell Mobility has indicated that as of October 31, 2025, the cellular 3G network will begin shutting down. We do not want to see any of our members without service at that time.

Please come in and hear the options for an upgrade.

More info on the 3G shutdown click here: <https://brooketel.coop/3g-shutdown>

## BrookeTel TV News

**Free Preview from  
September 01 to November 02**

### Retired Channels as of September 01

Corus has made the decision to cease distribution of ABC Spark, Nickelodeon, Disney XD and Disney Jr in Canada as of September 1, 2025. Their decision to discontinue these channels reflects evolving viewing habits, especially among children and families. Corus continues to focus on offering content in formats and platforms that best serve today's audiences.

While these channels will no longer be available, much of their beloved programming will continue to live on other Corus channels like Cartoon Network, Boomerang, YTV, Treehouse, and Disney Channel. We encourage customers to explore these channels for continued access to popular kids and family content.
