

# Scholarship Spotlight !

Hi, my name is Anna McGugan and I recently graduated from LCCVI high school in Petrolia on the principal's roll of distinction.

I am currently in my first semester at Western University in London, Ontario where I am studying Health Science with an interest in possibly pursuing a career in Occupational Therapy.

Growing up, I had a very good friend that lives with down syndrome; that being said, helping individuals living with disabilities has always been important to me and has piqued my interest in the field of rehabilitation therapy with a focus on helping to improve the quality of life for individuals living with special needs.

Throughout high school I was involved in sports including soccer, volleyball and badminton as well as various clubs including Lunch Buddies and Athletic Association.

Outside of school I've played soccer in Arkona, Ringette in Forest and have worked through first aid courses, bronze medallion, and bronze cross in hopes of earning all of the qualifications needed to become a lifeguard.

I have also spent multiple summers helping to lead groups of kids at local summer camps.

I would like to thank the Brooke Telecom Selection Committee, and everyone involved in the decision process, it was an honour to receive this scholarship.
